Korean Parent Orientation

Welcome to Delta School District! In case you are considering accompanying your child to Canada, we are hosting a Korean parent orientation on Friday, September 8, 2017, from 10:00 am to 11:30 am at the School Board Office. Our address is 4585 Harvest Drive, Delta. Please let us know if you plan to attend this event.

The agenda will include information about what to expect during the first month, how the Canadian education system is set up, Canadian teacher instructional styles, and strategies for student success in school and homestay environments. There will be time for questions and to meet other parents (either visiting or living here with their child). The orientation will be presented in Korean as well as English.

Our Korean support staff, Elaine Chu, is also available if you have questions or need assistance when you arrive. echu@GoDelta.ca.

We are honoured that you have chosen Delta School District for your son and/or daughter. We know how difficult it is to send your child to a foreign country and to trust their care to others. We will do our best to provide the caring support for your child and you during this transitional time.

We wish you and your child a safe trip and look forward to meeting you in person shortly.

Sincerely,

Deirdre Annett
Director - International Programs
